25X1 12. [] Met with Mr. Phil Kelleher, House
Armed Services Committee, concerning Agency legislative proposals
pending before the Committee. Among other matters discussed was the
possibility of inclusion of additional items other than those already pending.
It is Mr. Kelleher's present feeling that since it will be necessary to
report a Committee bill in any event, that an appropriate item such as
the protection of widows annuities may be considered for inclusion in the
Committee bill.

25X1 13. [] Met with Mr. Miles Romney, Assistant
General Counsel, House Government Operations Committee, and referred
25X1 him to Mr. J. R. Blandford, Chief Counsel, House Armed Services
Committee, for future advice and information he might desire concerning

[] In particular, Mr. Romney had inquired on
Wednesday concerning a summary of the negotiations or attempts at
settlement, which had been reported by the press, to have been under-
taken by the defendant. Mr. Romney was quite taken back by the referral
to the House Armed Services Committee, primarily on the ground that
he did not feel that the Armed Services Committee would be at all
interested in the same aspects of the case as the Government Operations
Committee. He appeared, however, to accept my call as one of
personal courtesy.

25X1 14. [] Met with Mr. Coyte White, Administra-
tive Assistant to Representative L. Mendel Rivers, and reviewed a letter

25X1 1. [] Telephoned Senator Milton Young to ascertain if he had read the David Lawrence column and the editorial appearing in the Evening Star of 18 May. The Senator stated that he had read these items and thought they were excellent. I suggested then that he might wish to place them in the CONGRESSIONAL RECORD. He stated he would be happy to do so if I thought it appropriate. I indicated that the Agency hoped he would do so and he stated he would go on the floor later in the day.

25X1 2. [] Mr. Coyte White, Assistant to Representative L. Mendel Rivers, called and asked that I come by today or tomorrow to pick up some correspondence that he thought would be of interest to us.

25X1 3. [] H.R. 14590 was officially referred by House Armed Services Committee, by the Chairman, to Subcommittee No. 1 and to Mr. Philip Kelleher, Counsel, for handling, on 18 May.

25X1 4. [] Received a call from Mr. Ralph Vinovich, in the office of Senator Everett Dirksen, who wished to verify the names of the French, British and Soviet intelligence and security services. These were checked with CI Staff and the information was given Mr. Vinovich who said that he was working on material the Senator had dictated for a newsletter on CIA. He went on to say the Senator stated in his newsletter that he regretted not being able to be present on the floor of the Senate during the discussion regarding the Agency for he would have spoken in opposition to the McCarthy resolution. I asked Mr. Vinovich if we could be of further assistance and he thought not. We will drop by the Senator's office tomorrow to obtain copies of the newsletter as finalized.
